As an aid to community sanitation, residents are encouraged to walk pets around the perimeters of the ponds and or on the main street approach between the entrance gate and the "roundabout". These areas have disposal facilities for the pet excrement that you are required to pick up. Pets must be leashed and restrained when outside your unit. Pet toiletry around buildings is strongly discouraged. Pets are not allowed in the Clubhouse, Exercise Room, Pool or Tennis Court, or within their grounds, unless under RX for sight assistance.
